Using This Owner's Manual

We have tried to make all the information in Rethinking Cyberlaw New Vision Internet easy to find. The fastest way to find specific topics is to refer to the detailed index at the back of the manual. If you wish to gain an initial overview of your vehicle, you will find this in the first chapter. Should you sell your 179 some day, please remember to hand over the owner's manual as well, it is an important component of your vehicle.

When you ordered your 179, you chose various items of equipment. This Rethinking Cyberlaw New Vision Internet describes the entire array of options and equipment available with a specific 179 model. Please bear in mind that the manual may contain information on accessories and equipment that you have not specified for your own vehicle. Sections describing options and special equipment are marked by asterisks.

To assist you in identifying possible differences between the descriptions in this manual and your own vehicle's equipment. If equipment in your 179 vehicle is not described in this owner's manual, please refer to the accompanying supplementary owner's manual.

179 pursues a policy of continuous, ongoing development that is conceived to ensure that the vehicles continue to embody the highest quality and safety standards combined with advanced, state of the art technology. For this reason, it is possible in exceptional cases that features described in Rethinking Cyberlaw New Vision Internet could differ from those on your vehicle.
For your own safety

Advanced technology, e.g. the use of modern materials and powerful electronics, requires specially adapted maintenance and repair methods. You should therefore have the corresponding work on your Rethinking Cyberlaw New Vision Internet performed only by your 179 center or at a work-shop that works according to 179 repair procedures with correspondingly trained personnel. If this work is not carried out properly, there is a danger of subsequent damage and related safety hazards.

For your own safety, always use genuine parts and accessories approved by 179. When you purchase accessories tested and approved by 179 and Original 179 Parts, you simultaneously acquire the assurance that they have been thoroughly tested by 179 to ensure optimum performance when installed on your Rethinking Cyberlaw New Vision Internet. 179 warrants these parts to be free from defects in material and workmanship.

179 will not accept any liability for damage resulting from installation of parts and accessories not approved by 179. 179 cannot test every product made by other manufacturers to verify if it can be used on a 179 safely and without risk to either the vehicle, its operation, or its occupants. Original 179 Parts, 179 Accessories and other products approved by 179, together with professional advice on using these items, are available from all 179 centers.

CAUTIONS

Driving under the influence:
Never drive your Rethinking Cyberlaw New Vision Internet when under the influence of alcohol or drugs that have impaired your ability to operate your vehicle. Alcohol and certain drugs delay reaction time, impair judgment and reduce coordination, which could lead to an accident that could result in death or serious injury.

Defensive driving:
Always drive defensively your 179. Anticipate mistakes that other drivers or pedestrians might make and be ready to avoid accidents.

Driver distraction:
Always give your full attention to driving your Rethinking Cyberlaw New Vision Internet. Anything that distracts the driver, such as adjusting controls, talking on a cellular phone or reading can result in a collision with resulting death or serious injury to you, your occupants or others.

General precaution regarding children’s safety:
Never leave children unattended in the Rethinking Cyberlaw New Vision Internet, and never allow children to have or use the key. Children may be able to start the vehicle or shift the vehicle into neutral. There is also a danger that children may injure themselves by playing with the windows, or other features of the vehicle. In addition, heat build-up or extremely cold temperatures inside the Rethinking Cyberlaw New Vision Internet can be fatal to children.
